Love at First Kite

Why all the kites on Hideaway walls? Richard & Marti, Stillwater founders of this restaurant have enjoyed kite flying and collecting kites, worldwide, for the last 30 years. Richard was president of the American Kitefliers Association from 1997-2000, a job that took them to China, Japan, India, New Zealand, England, France, Denmark and Guadeloupe. All of their travels added

to their international kite collection, which they have displayed here for you to enjoy. If you want to learn more about kites go to www.aka.kite.org

THE HIDEAWAY

230 S KNOBLOCK

STILLWATER, OK

The Original Stillwater Hideaway opened in 1957. In 1960, after working at The Hideaway for three years, lifelong Stillwater residents and OSU students Richard and Marti Dermer, in partnership with Richard's brother-in-law, bought the business for \$10,000. A few years later, Richard bought out his brother-in-law's half and started his work to create the business model that still works 60 years later. Originally, The Hideaway was located around the corner on Third Street and seats 90 guests. In 1980, we moved into our current location, more than doubling the square footage and seating capacity. In 2002, we doubled our space once again and can now accommodate 348 guests. The Original Hideaway's success encouraged a group of former employees and friends to form Hideaway 2, Inc. in 1993. They are the exclusive license holders of the Hideaway name outside Stillwater. Hideaway 2 now operates 16 locations throughout Oklahoma, two new locations in Arkansas, and continues to grow. While their menu and recipes vary slightly from the original, they each maintain that unique Hideaway atmosphere and service.
