THE HIDEAWAY

405.372.4777 230 S KNOBLOCK STILLWATER, OK

The Original Stillwater Hideaway opened
in 1957. In 1960, after working at
at The Hideaway for three years,
lifelong Stillwater residents and OSU
students Richard and Marti Dermer, in
partnership with Richard's brother-in-
law, bought the business for \$10,000. A
few years later, Richard bought out his
brother-in-law's half and started his
work to create the business model that
still works 60 years later. Originally,
The Hideaway was located around the
corner on Third Street and seats 90
guests. In 1980, we moved into our
current location, more than doubling the
square footage and seating capacity. In
2002, we doubled our space once again
and can now accommodate 348 guests.

The Original Hideaway's success
encouraged a group of former
employees and friends to form
Hideaway 2, Inc. in 1993. They are the
exclusive license holders of the
Hideaway name outside Stillwater.
Hideaway 2 now operates 16 locations
throughout Oklahoma, two new locations
in Arkansas, and continues to grow.
While their menu and recipes vary
slightly from the original, they each
maintain that unique Hideaway
atmosphere and service.
